Celeb News, Gossip & Funny Stories

So, Tulisa has been a very busy girl this month! She's been in Florida, working on her new album, and as we all do from time to time, she's blown off a little steam!

She's been spotted in Miami's infamous Diamonds gentleman's club, and she's even been busted at Miami airport where she was asked to turn off whatever it was that was vibrating in her back! But best of all there is a sex tape circulating the Internet, the maker of which is alleging that Tulisa is the beauty involved in the sex act! We've seen it and whoever it is happily munching away on the big cock, we liked it very much!

Who's Been A Busy Girl?

And The Winner Is!

We don't have the photographic evidence, but tens of thousands of @JLosNipple Twitter followers also saw Jennifer Lopez slipping a nipple at this years Oscars. No need to get upset that you missed it, we've dropped another photo in here of J-Lo's lovely boob so that you can get the general idea!

And Another Sex Tape!

Hot on the heels of Tulisa's alleged sex tape is WWF all-time favourite, Hulk Hogan. Vivid Entertainment founder, Steve Hirsch, has been approached by a third party who claim to be in possession of the tape. We don't have any more gritty details other than that the guy who they are claiming is Mr. Hogan has a clear thong shaped tan line, Nice!

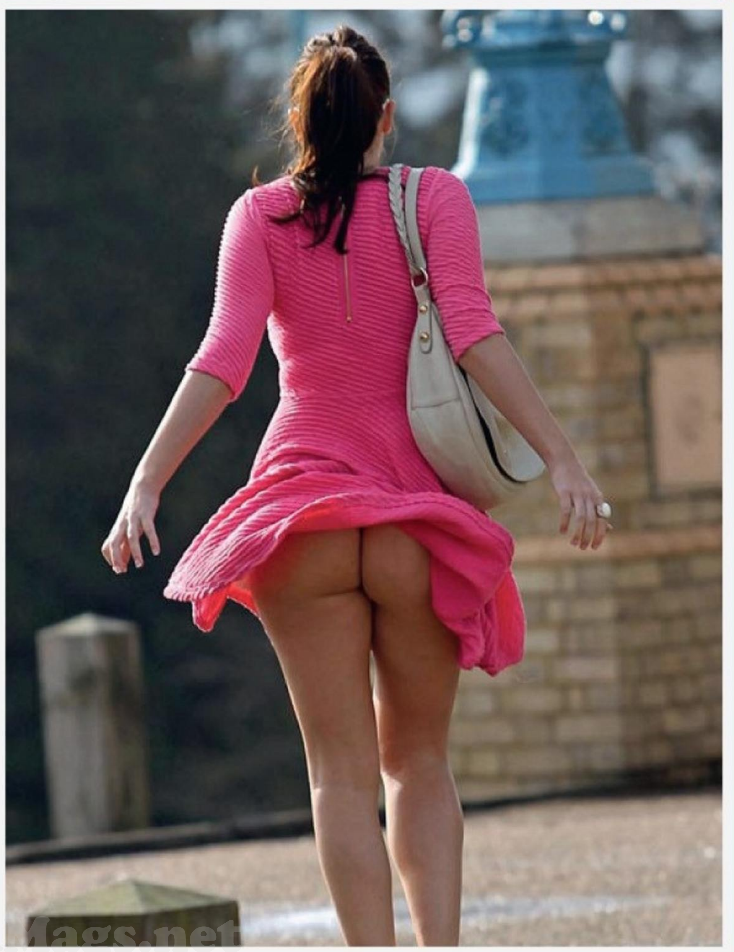
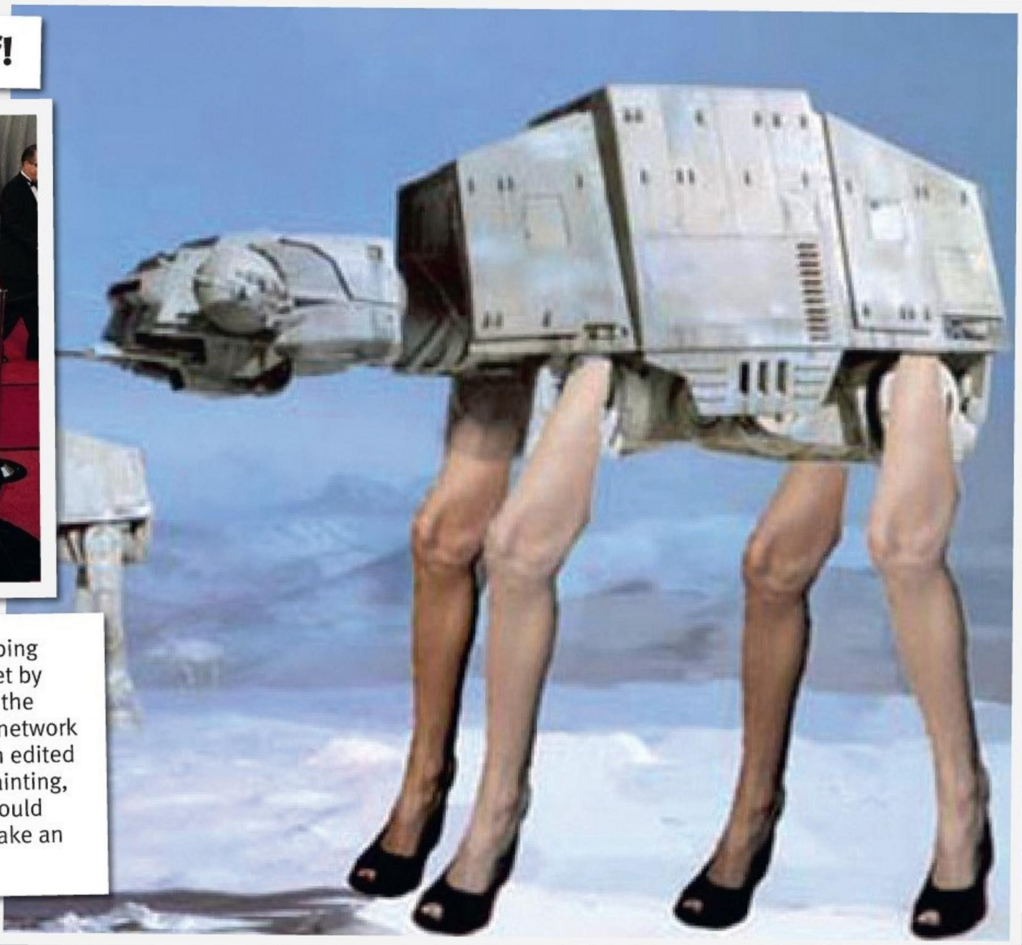
Too Fat? You're Having A Laugh!

Imogen Thomas has shocked everyone by coming out and saying that she isn't confident in her body. She says that she's never been happy with her body and thinks that her hips are a bit too fat! As you can see from these photos, her being a bit fat is probably the last thing on any red blooded guy's mind. We're especially loving the recent photos of Imogen when she was caught out by a sudden gust of wind whilst prancing around London. Keep up the good work.



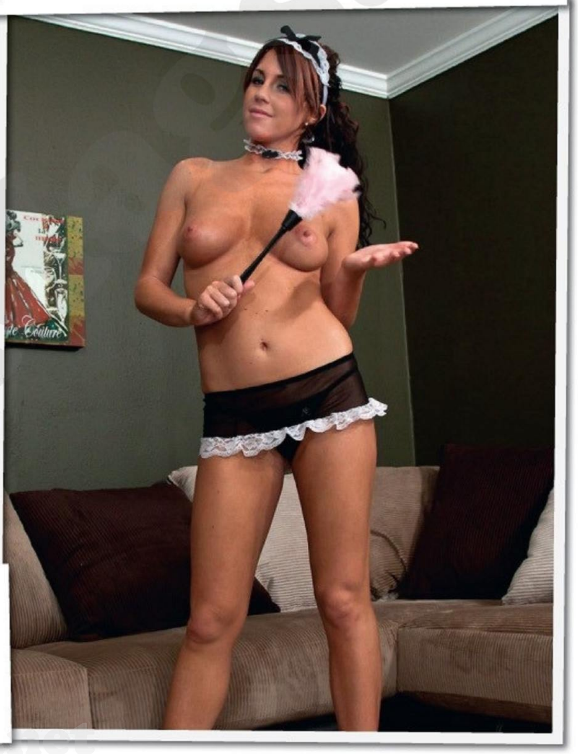
Leg Bombing Spoof!



The Angelina Jolie Leg Bombing craze has taken the Internet by storm. Fresh from stealing the show on the red carpet, social network sites have been inundated with edited images of iconic photos and painting, to include Jolie's leg(s). Who would have thought that you could make an AT-AT from Star Wars sexy?

Beating The Unemployment Trap!

The Natural Cleaning Company, in South Africa, has come up with a novel way to combat rising unemployment and get women back in to work. The company is a temping agency with a twist. If you're looking for an accountant or a cleaner for your offices or home they'll send one right over, and the best part is you can request them to be topless or fully nude on arrival! Other services they offer include chefs, plumbers, computer technicians, the list just goes on. Just don't expect them to be any good at their job though.



Allo Allo Allo!

Female police officers on the Essex force are being told not to wear under-wired bras, just in case they're shot at! The scientific bods are claiming that the wire in a bra can cause extra harm underneath life saving body armour. We're going to go one step further and say that all female police officers, well the fit ones at least, should be banned from wearing bras and knickers!

Do you have any burning questions that you want answered?

Email Sarah Berry at: letters@euroticus.net

Dear Sarah,
I can't fucking believe it! I followed Marino's tips on how to pull a lady and you'll never guess what bloody happened! Yep, I finally got some pussy – after a two-year drought! I went to a pub near my house that I don't normally go to. There was this lass behind the bar. She was about 30 with huge tits pouring out of a low cut top. I sat down and smiled like Marino said. Then after my first pint I winked. After another pint I said that she looked gorgeous! She got to telling me how she'd split up with her boyfriend. I was really nice to her and kept saying how stupid her boyfriend was. An hour later she was banging me in the cellar. I can't believe how much come I pumped into her tight cunt! I'm off for a pint now, so wish me luck.
George, Worcester

Dear George,
What a romantic tale of the gallant, horny man cheering up the girl on the rebound. I hope it works for you again sweetie!

Dear Sarah,
I want to commend your magazine for providing such a wondrous range of wank fodder. Take issue 240: if I'm feeling like a quick wank over a dirty slut, there's the sneary Dawn Allen who I imagine taking my cock up her arse before coming all over her face. On the other hand there's your wonderful spread of Charlize Theron. For this, I have a posh wank with Vaseline. I imagine that she is fucking me and, when I am finished I come into a sock. Keep up the good work Adult Sport.
Sigmund, Aldershot

Dear Sigmund,
We're happy to be of service! And if you want to pretend that you're being wanked by someone else, why not lie on your arm until it goes to sleep then wank with that?

Dear Sarah,
The photographs of Daryl Hannah in your mag got me thinking. Is it weird that I fancied her most when she was a mermaid in Splash? I mean she's half a fish isn't she? I know women's flaps are a bit fishy at the best of times but I don't fancy a mouth full of salty, slimy scales. I really don't have any desire to anything with fish other than eat it with chips. But still, since seeing your pics, every time I go to wank, the image of her flapping about springs to mind. Does this mean I'm into bestiality? Am I pervert?
Tim, Newcastle

Dear Tim,
I've actually heard of a few cases were men get horny for mermaids – Ariel from the Disney film is another popular fantasy. As long as yours stays between you and your hand, and the idea of going to the zoo doesn't give you a hard on, then you are fine. And remember, the fact that both Daryl's costume designer and Ariel's cartoonist omitted to give these creatures a vagina, means that even if they were real and you wanted to fuck them, you couldn't.

Letter of the month

Dear Sarah,
I read your news piece about poor Jorgie Porter being tired after her ice skating with interest. Her saying that she has loads of sex romps one minute then admitting she's actually too exhausted to move the next, well it strikes me that she just needs someone to look after her and pamper her. I'd be great at that. I'd massage her tight, little body – paying special attention to those huge knockers – then kiss her all over, and even tongue her slit, as she falls into a blissful sleep.
Herman, Devon

Dear Herman,
What a gent you are for tending to the needs – and the flesh – of Little Miss Porter. At present I've got it on good authority that she is happily shacked up with her muscular, modelesque Hollyoaks co-star. But if she becomes available, I'll let her know.

Dear Sarah,
I don't know why everyone is always going on about Fern Britton. I think she's a lanky, moody cow who isn't as cool as she thinks she is. Now, her mate Holly Willoughby, that's my kind of girl. She looks like a girl with an appetite hates bloody salad. I bet she loves giving blow jobs and is great at tit fucking. It would make my day if you would print this letter with a naked pic of Holly.
Mo, Isle of Wight

Dear Mo,
It's always good to hear that men don't just like stick thin ladies – especially as I've been helping myself to all the pies lately. And as you asked so nicely, may I present a fake, naked Holly. Enjoy!

Salma Hayek

Ever since we saw Salma Hayek's adorable arse in *Wild Wild West* (1999), we wanted to a whole lot more. Back in 1995 she got fucked rotten by Antonio Banderas in *Desperado* and then she got her kit off again in 2002 in *Frida* and again in *Ask The Dust* (2006). Enjoy the pictures and make sure you watch the films!

BEN DOVER DELIVERS...

The man with the big column, delivers his next... er... column. This month: how to fuck like a porn star

• MERCH
TAG &
AND ON
MOUS
• PA
ove
WW

Hi, my names Ben Dover and for those that don't know me I produce and star in films that are character lead reality adult comedy drama's, based loosely on the working dynamic of Hunter S Thompson... otherwise known as gonzo porn.

Like any professional athlete, a Porn Star cannot just turn up on set without training and expect to put in a marathon performance. It would be like the England football team turning up to the World Cup finals without the necessary preparation... maybe that's a bad analogy.

So let me give you an insight into the behind the scenes life of a Porn Legend (I'm too old to be a Porn Star now) that facilitates my on demand performances.

A common misconception is that our training schedule involves hours of lying on your back wanking, nothing can be further from the truth. In fact one of the hardest aspects of my job is the abstinence.

For 24 hours before the shoot that means no sex, no wanking and no alcohol. Being an alcoholic sex addict wanker, you can imagine that this isn't my favorite time.

I try to extend this period, at least for the no cumming, to 48 hours. I have found that if I can last this long then when I do finally shoot then I can literally shoot gallons of the stuff, which always looks great for the camera.

As those that have seen my productions will testify (If you haven't check the website www.ben-dover.biz) they are a little devoid of Hollywood special affects, therefore it's up to me to produce the white stuff.

I'm always looking for the legendary Spiderman Cum Shot, where it literally sprays out like a fireman's hose, covering the young lady's face so that by the end of the scene she looks like a plasterer's radio.

Also if we are shooting to a tight schedule, then I sometimes need to shoot two scenes in a day. Once I managed three – all with spectacular cum shots! That was a challenge. I did struggle with the 'money shot' for the third scene to be honest. It took a while, but I got there in the end. Incidentally talking of the 'Money Shot', the extraordinarily stylish retro look Ben Dover 'Money Shot' T Shirts are available on the website.

I rarely suffer from Mr Floppy, but on the occasions I have needed a little lift. I've used the Viarex Pills, which are a natural alternative to Viagra and available without prescription and as luck would have it on my website.

Alternatively I have always found that a blowjob, gives me an even quicker lift in that area. I'm a great advocate of the saying, "there is no such thing as a bad blow job." However some deep throating (a real skill as my member is over 8 inches), lots of saliva and spitting on my cock can turn good into great.

If I'm really struggling then I simply take a break and relax with a cup of tea and a biscuit. Jaffa Cakes being my preferred choice in that situation.

Off camera, I've used cock rings, which I find very effective and of course we stock our own version called Ben's Celebrity Big Member, on the website. Sadly it's not something that I can incorporate into the films as that would be deemed as cheating.

Many guys, when they meet me, ask me how you make a girl gush. I've led quite a sheltered life and I'm still working on that particular sexual Holy Grail. If I'm in my favorite position, which is cowgirl, then it's more achievable, but I'm not claiming to be an expert in that area. Most girls I've made come in my long and varied life have just come without me being aware that I'd done anything in particular to make it happen.

I prefer to let things take their natural course, but I do usually like to start off at the 'downstairs buffet'. I like to stay down there for about two or three... days, and then see where it goes from there.

I've talked a little about getting and maintaining a hard on, which I know can be an issue for some men. However being the old perv that I am, I'm more likely to suffer from the opposite issue and cover the face of my leading lady a little too early in proceedings.

When I feel the urge overtaking me, I swap the hot chick for the 15-minute break with the aforementioned tea and Jaffas normally sorts the issue. If we are on a tight schedule then I generally try and think of something disgusting and/or sad that I've seen in the news recently, an article, with pictures of Jordan does the trick!

Once I get beyond the initial three minutes without an eruption of the white stuff I can control myself pretty well to then cum on demand. However those first few minutes, especially if I've managed no wanking or sex for 48 hours before the scene, are a little tricky.

The first series of Spartacus was damn right awesome. Not only was it full of action and blood, but to top if off every other scene had a naked lady either bathing in a glorious Roman pool, or being fucked senseless by a gladiator of some description. Well, the second season is well under way and here are just a few of the naughty going-ons to be getting on with!

Spartacus Vengeance

DAMSELS IN DISTRESS

Halloween

THESE LADIES NEED RESCUING AND ROGERING...

KING DONG

King Kong's Fay Wray was the epitome of screaming submissiveness in the 30s, while ice-maiden Naomi Watts followed up with a feistier version in the 90s. The blonde bombshells were each carried by an infatuated big hairy monster (likely symbolising male desire) up the Empire State Building, again (phallic imagery watchers ahoy). We're pretty sure, once they were rescued her from the hairy ape, they gratefully chowed down on something meatier than bananas.

King Kong

HERO FODDER

Next up, Superman's girlfriend. While she chain smoked, was insanely annoying and worked all hours, we're sure we'd reverse the earth's orbit for a chance to bone Lois Lane. We don't care if it's Margot Kidder from the films or Teri Hatcher from TV's The New Adventures. Either way we so would – especially if they stop talking long enough to swallow our spunk.

And we can understand why skinny Indie chic Kisten Dunst constantly needs rescuing by Spiderman. The poor girl is continuously getting wet while wearing no bra. We're hoping Spidey carries some cold medicine!

A RUNNING HUMP

You can always rely on trashy horror films to get a fit girl all sweaty and panting with her boobies wobbling as they scream for their lives before the villain kills them. Bless all the Scream films for their excellent work in this field. Drew Barrymore's brief turn is particularly worth a butchers (pun unintended), as is the slaughter of the oh-so-innocent Rose McGowan. The best thing about these movies is that, once the airheads have bitten the dust, we get to fawn over the pouty, curvy Neve Campbell (and Courtney Cox if you prefer them skinny and older).

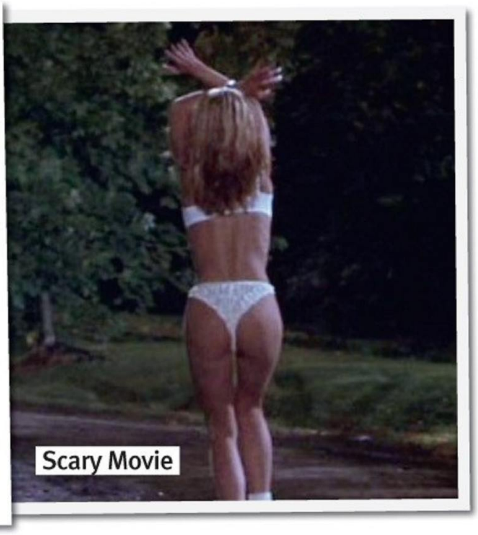
Scream

FAKE

My Bloody Valentine

SHAM 69

With so many of these films showcasing the running-scared whore, it was only a matter of time before a spoof took it a step further. Cue Scary Movie with Carmen Electra bouncing and screaming as she runs from the masked killer who pulls off her dress and chases her through sprinkler systems before stabbing her big, bountiful bosom. But this doesn't finish off our screaming slut. As she stubbles around in the road, a driver mows her down. "How could he not notice such an amazing display of flesh?" I hear you ask. Because his eyes are closed as he' getting a blow job from his wife. Now that's hard to swallow!



Scary Movie

DIE HARD

Horror films are actually moral arbiters showing us that deviants should be punished. That's why, if you see a girl enjoying a good rutting in this genre, chances are she won't be around much longer. Take My Bloody Valentine: after Betsy Rue has made a sex tape with her boyfriend, a killer arrives and chases the naked slut around for a bit before ending her. According to Hollywood Reporter, this is "one of the longest and most unabashedly gratuitous full-frontal nude scenes in horror film history."

Then there's Halloween. Fresh from being fucked, Danielle Harris shows off her perky tits as she screams blue murder and desperately rifles through drawers looking for something to kill her assailant with. After a brief ruckus she is overpowered by the scary, scarred man.

Spiderman

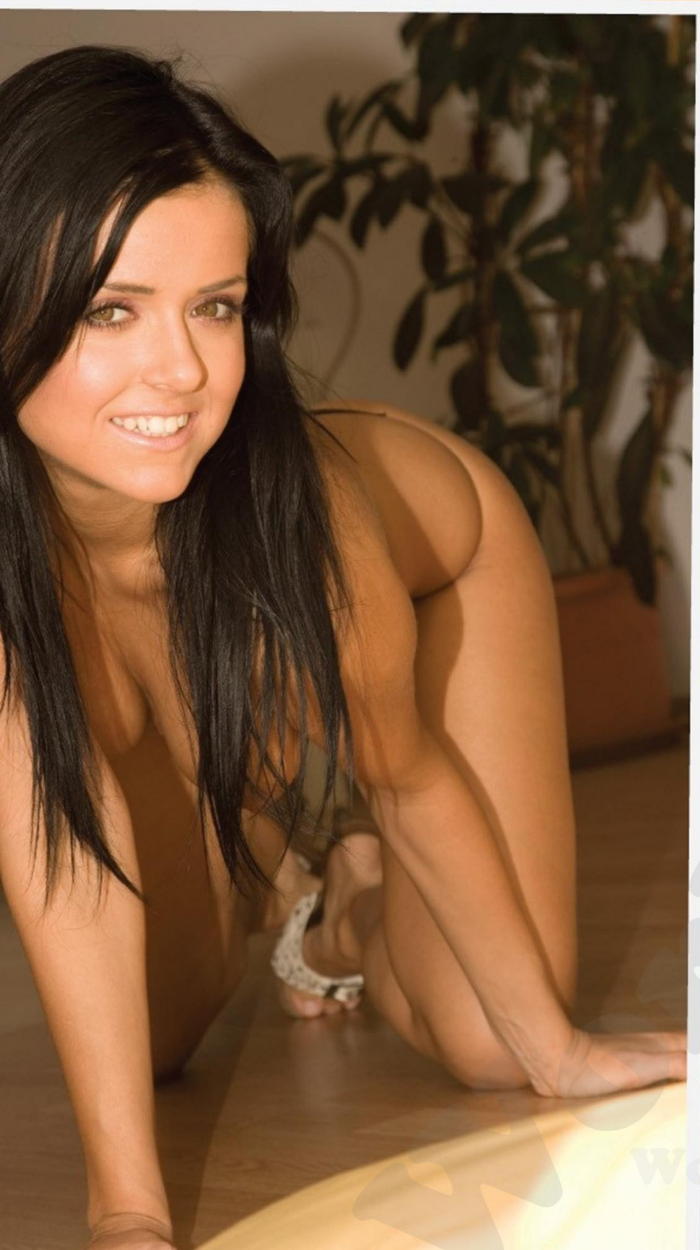
MONSTER HARD ON

If you like watching monsters touching up screaming ladies then feast your eyes on Slither. We're just hoping that a monster pawing at Elizabeth Banks' huge bresticals with his tentacles doesn't count as bestiality! When Canada.com asked the blonde hottie, "What is one thing you won't do for a role in a movie: a) Shave your hair, b) Do a lesbian sex scene in whipped cream, c) Be nude, d) Act dumb?" She replied "I would do all of those things! Never say never." Saucy bitch!

Also having a forceful, badly acted, supernatural rendez vous was Shannon Elizabeth (of American Pie fame) in 1996's Jack Frost. In this B list film, a snowman ravishes the former Playmate while she's naked in the bath. We're happy to confirm that no actresses were hurt in either of these movies!

Shannon Elizabeth

Nell Bowden



Anne Heche

We kind of feel a bit guilty putting Anne Heche in this months issue of *Adult Sport*. You see, you might think that if you bumped into her randomly on the street and cracked a cheesy line, that you may, just maybe, get a shag. Unfortunately, she'd much rather be between the sheets with birds! And we're not even talking about hot birds here, she's got a real taste for TV legend Ellen Degeneres' front bum. Not a pretty sight. But luckily for us she doesn't mind fucking guys in her films. And here are some of her top on screen conquests!

GEORDIE PHWOAR!!!

She's blonde, she's gorgeous and she can touch her head while being fucked! Adult Sport gets up close and very personal with award-winning porn star Syren Sexton...

Images Courtesy Of Television X

So you're an award winning actress now! What are you doing that's special?
I get told that I'm too pretty for porn, so I think the fact that it's unexpected that I do it makes it rather exciting to my fans. My Geordie accent goes along way too!

Do you have a trademark or speciality?
I can touch my head with my foot whilst getting fucked which it allows for deeper penetration. I throw this speciality into my scenes now and then.

How did you get into porn?
I was a glamour model and had attended a party where a couple of guys who dabbled in porn started chatting me up. They said I would be an amazing porn star. I just laughed at the time but it planted the idea in my mind. I gave it around eight months of thought and then took the plunge. I went to a meeting and within a month I was on the set of my first scene!

We've a hunch that Syren Sexton isn't your real name. How did you come up with it?
Haha well you would be correct. I was always fascinated with Greek mythology and my first name comes from the myths about sirens who were seductive creatures with beautiful voices. My second name just seemed to fit really well and how much more relevant can you get for an adult entertainment actress than Sexton!

What do your parents think about your chosen career?
They are fine with it. I've always been allowed to make my own decisions.

What turns you on?
A man who takes charge. It's as simple as that.

And off?
I hate too much vanity in a man; taking longer than me to get ready is just wrong!

What's the best way to woo you?
I'm very traditional and love romance so flowers are always a good start.

Tell us the worst chat up lines you've heard (and did they work)?
The one I've heard most is: "That's a lovely skirt but I think it would look better on my bedroom floor."

Groan! Did it work?
No they've never worked but, I always laugh politely.

What's worse on a man: smelly breath, a bald head or a hairy back?
Definitely the breath – there's just no excuse for it.

What famous girl would you most like to scissor?
None, I'm not attracted to women at all.

Does having sex for work lessen your enjoyment of a good banging?
No it all depends on the guy. If they really do it for me, then I will bang them all day and night.

Tell us your top three sex tips.
1) Always start with a good kissing session – it builds the excitement
2) Talk dirty but only if it comes natural
3) Mix it up and use some sex toys

What's the most amount of people you've had sex with in an evening?
I'm not a fan of orgies, I don't find them sexy.

Can you describe your sexiest scene?
My sexiest scene would be one of my most recent actually. It involved me riding around on Jay Snake's back and spanking his bum with a whip. I act all tough but when he gets his huge cock out, I soon retreat and enjoy every second. The DVD is called Fallen Angelz and I'm on the cover of it!

In the bedroom, do you prefer to take charge or be ravished?
I prefer to be ravished. I love to act all helpless.

On your website (www.syrensexton.com) you ask for admirers to gift you with Michael Kors' Very Hollywood perfume. Is that what you smell like?
I like a lot of perfumes, but my favourite is Armani Diamonds.

And what do your fans get if the buy it for you?
Signed pictures and personal emails from yours truly.

Your website also says you're a singer? What and where do you sing?
I write and record my own material.

If you were only allowed one sex act for the rest of your life – either cunnilingus or anal – what would you pick?
Cunnilingus. I need my clitoral stimulation.

Any advice for porn star wannabes?
Just be sure it's what you want to do.

What's next for Syren Sexton?
I don't like to plan too much, it stresses me out. Let's see where the wind takes me. . .

SINS OF THE FLESH!!!

As Robbie Coltrane said in Nuns on the Run, "We have to go on sinning in order to be saved and go to Heaven. That's how Christianity works." Well, this Easter, we're helping you to be extra Christian – and get laid – by taking a nod from the seven dirty sins.

LUST

Even the most um-modelesque chap can get a lusty lady's juices flowing if they do the right groundwork. Take Max from Eastenders. He's ginger, pasty, not very funny, and rather smarmy. But he's perfected the sex text; is a master at that look that shows he's undressing you with his eyes and the teasing stolen kisses followed by the ambiguous promise of "you'll keep." Such behaviour saw Lacey Turner continuously drop her knickers and left Rita Simons begging for it. Genius!

SLOTH

The problem with modern-day living is that we're too damn busy in the day and tired in the evening to really enjoy a great rutting. So, why not set aside a whole weekend to indulge your sexy side whenever you want? Stark by stockpiling loads of booze, food, scented candles, sexy music, massage lotion, condoms and any other sex regalia you've always wanted to try. Then take the phone off the hook, put your "out of office" message on your computer, then shag, sleep, shag, eat, shag and be fucking merry . And, if you're on your own, then get in a load of porn and wank away. For inspiration, watch Helen Mirren, Malcolm Mcdowell and a load of porn stars banging decadently in Caligula.

WRATH

Have you ever had angry sex with someone? We don't mean where one is crying and the begging the other to stop – that is rape. No we mean when you both feel the adrenalin coursing through you: you're mad, you're hyper and you're very horny. It's not a stare of play that's very easy to reach, so we suggest some roleplay. Find something amusing to argue about, like the virtues of football over shopping. Then make like Kathleen Turner and Michael Douglas in War of the Roses and shout, scream and fuck the beJesus out of each other. Then have some make up sex.

GREED

As a wise man once said, "Flash the cash and you will get gash." Take Wall Street's Charlie Sheen. On the eve of landing a high flying job, the smug git gets blown in the back of a limo. Then later in the film the lucky git gets to then spray his load in Daryl Hannah. Replicate his hot-shotness by flying her to Italy in a private jet, enjoying a five-star meal and posh champers before showering her with jewellery. If you don't have two Faberge eggs to rub together, then ordering Cava, extra poppadoms with your curry and covering the bed with Monopoly money might just do the trick. For the ultimate money shot watch a very young John Philip Law hump a sensational sixties' siren get in a huge, revolving bed full of stolen banknotes in Danger: Diabolik.

GLUTTONY

Since the drawn of time, increasingly ardent couples have shovelled aphrodisiacs like oysters down each other's throats in the hope that they'll find each other sexy. But if you don't have those to hand, just feed your conquest whatever you have in the kitchen like fruit, jelly and Vicks cough medicine. The trick is to turn it into a sensual game and keep her guessing as to what's coming next like Mickey Rourke does to Kim Basinger in 9 ½ weeks. You can also use food as a sex aid when things turn a little more... fruity. Lick squirty cream off their privates, dildo each other with frozen carrots or roll around in melted chocolate. If this appeals then check out the soft porn stylings of sploshagirl.com or feast your eyes on Ewan McGregor as he fills up Emily Mortimer with his giant sausage while covered in Ketchup and custard in Young Adam.

ENVY

We tend to think other people's sex lives are better than our own. But that's because most other people lie about the sex they're getting. Why not jump on the band wagon and talk up your sex life? You'll feel more confident and the girls will be gagging for your sex god skills. To avoid making yourself look like a desperate tosser, remember to be laid back, none-smug and that, as they prove in Reservoir Dogs, when telling a falsehood, the devil is in the detail. Endless tails of women shagging you in six positions – including the bum – then letting you come in their face, may seem a little farfetched. For a more convincing story, check out some lady-penned erotica from www.cliterari.com. And watch how Jimi Mistry manages to bed both Heather Graham and Marisa Tomei by pretending he's a mystic love god The Guru.

PRIDE

We're not really sure why pride is a sin. Of course, if you're a narcissistic twat who would rather wank at a photo of yourself, you're not going to care about sticking it in anyone. But taking pride in your appearance is more likely to lead to a lay than if you're sporting a greasy mullet, prominent nasal hair, last night's nosh down your top and BO. To get Pussy Galore channel your James Bond by showering, shaving, donning a suit and quaffing a martini –shaken not stirred of course. You'll make a killing! But if you're left high and dry, you could always swallow your pride and pay for it!

YOUNG HARLOTS - GANG BANG

Poor little Young Harlots. Having just completed Finshing School, you'd think they would be given a rest. But oh no, the Harlots are about to be given their toughest test yet. Two delightful Harlots, Amber Rayne and Andi Anderson get truly put through their paces in the Young Harlots Gang Bang.

Each girl gets her turn with 10 rather beefy young men and takes on all cummers to erm, completion. The girl starts off on her own, giving you her own seductive, uniormed show before them men slowly join her and giver her what she wants.

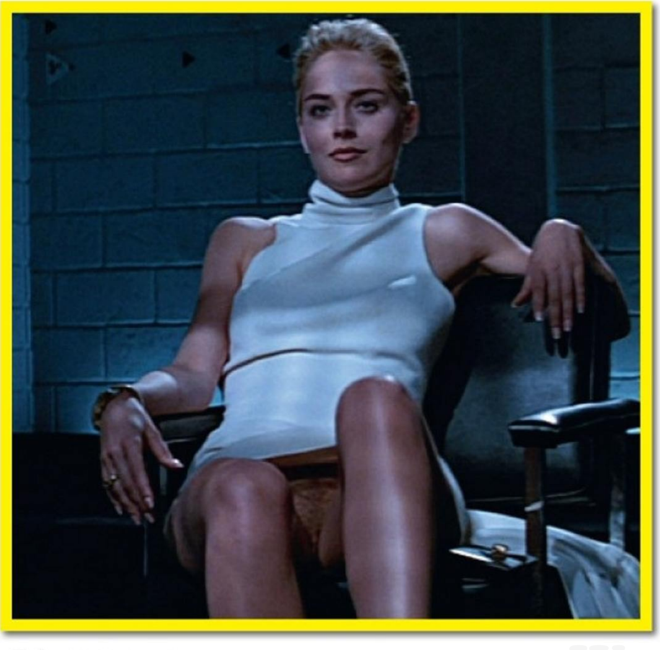
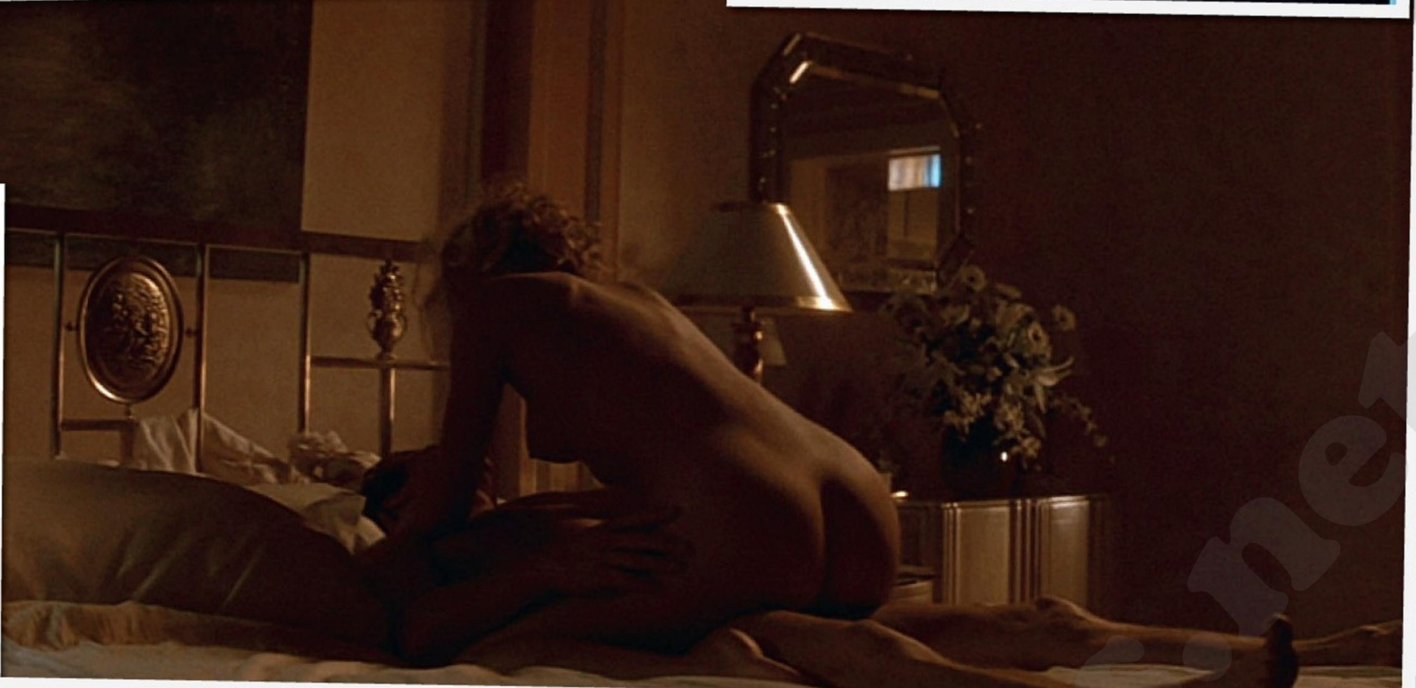
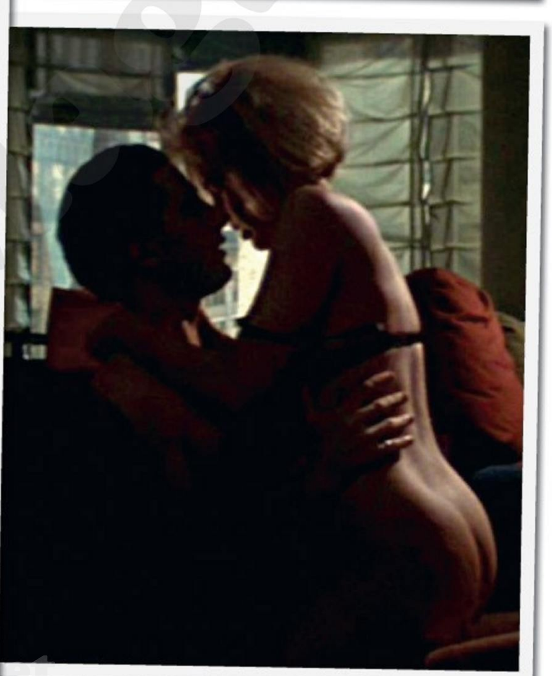
Sharon Stone

Sharon's first nude scene was way back in 1984 in *Irreconcilable Differences*, when she played a young actress willing to do anything to get a part in a film. We all know where it went from there with each role getting racier, until she gave every young man an erection that they just couldn't budge in 1992's *Basic Instinct*. William Baldwin knows exactly what we're talking about, rumour has it that during filming of *Sliver* (1993) he got so aroused whilst dry humping Stone, that he had to call a halt and disappear for 30 minutes to cool down! She may be in her fifties now, but we wouldn't mind seeing her in the buff one last time!







Jokes

Laugh your cock off with the best gags and funniest pics!

An old man is walking down the street one afternoon when he sees a woman with perfect breasts. He says to her, “Hey miss, would you let me BITE your breasts for $100?’ “Are you nuts?!” she replies, and keeps walking away. He turns around, runs around the block and gets to the corner before she does. “Would you let me bite your breasts for $1,000?” he asks again. “Listen you; I’m not that kind of woman! Got it?” So the little old man runs around the next block and faces her again, “Would you let me bite your breasts - just once - for $10,000?!” She thinks about it for a while and says, “Hmmmmm, $10,000... Ok, just once, but not here. Let’s go to that dark alley over there.” So they go into the alley, where she takes off her blouse to reveal the most perfect breasts in the world. As soon as he sees them, he grabs them and starts caressing them, fondling them slowly, kissing them, licking them, burying his face in them - but not biting them. The woman finally gets annoyed and asks, ‘Well? Are you gonna bite them or not?’ “Nah,” says the little old man... “Costs too much!”

A guy goes into a bar and says to the bartender, “Man, I’m dying to have sex in the worst way. So the bartender says, “Well, the worst way I know of is standing up in a hammock.”

A guy’s talking to a girl in a bar. He says, “What’s your name?” She says, “Carmen.” He says, “That’s a nice name. Who named you, your mother?” She says, “No, I named myself.” He says, “Why Carmen?” She says, “Because I like cars and I like men. What’s your name?” He says, “Beerfuck.”

Jack is on his death bed, and he says to his wife, “Can you give me one last wish?” She says, “Anything you want.” He says, “After I die, will you marry Larry?” She says, “But I thought you hated Larry.” With his last breath, he says, “I do.”

One day a single mother was in the grocery store with her 4 kids. They were acting up. Bad little kids. They were running around grabbing items off the shelves crying and screaming all over the place. The mother grabbed all and said “I should of swallowed all of you!”

WARNING
This MUSTANG is powered with a V8. Due to possible breathing problems under rapid acceleration, all females are advised to remove any tight fitting or constrictive clothing for their safety.

A flat-chested young lady went to Dr. Smith for advice about breast enlargements. He told her, “Every day when you get out of the shower, rub the top of your nipples and say, ‘Scooby dooby dooby, I want bigger boobies.’ “ She did this every day faithfully. After several months, it worked! She grew great boobs! One morning she was running late, and in her rush to leave for work, she realized she had forgotten her morning ritual. At this point she loved her boobs and didn’t want to lose them, so she got up in the middle of the bus and said, “Scooby dooby dooby, I want bigger boobies.” A guy sitting nearby asked her, “Do you go to Dr. Smith by any chance?” “Why yes, I do. How did you know?” The man stood up and cupped his balls and said, “Hickory dickory dock...”

We here at *Adullt Sport* like nothing better than a really filthy gag or hilarious photo! So if you spot anything you think will tickle us, you can post it to: *Adult Sport, 207 Old Street, London EC1 V 9NR*
